CHAIR PERSON'S MESSAGE

Dear CSEPIANS

Good morning and warm greetings.

Updating the knowledge and sharpening our clinical skills is very essential for any Doctor to shine in profession. This year Ahmedabad is the centre for updating our knowledge. Ahmedabad is hosting our 39th NATIONAL CONFERENCE OF SEXOLOGY OF CSEPI / SEXCON2023. Theme – SEXUAL PROBLEMS – BEYOND PDE5 INHIBITORS, chosen is very appropriate to the present crisis. Pharmacotherapy alone will not solve or save family/sexual problems. Making the couple or partners aware of importance of mutual trust, affection and sharing and caring and adjustment are very much important for healthy and happy sexuality and family life. Our CSEPI is doing this difficult task for the last 40 years., training the health care providers and bringing awareness in society at large.

I congratulate the local organizing team headed by Dr.Paras Shah and wish the conference a great learning experience.

ALL THE BEST

Dr. G. Venkat Ramana

Chairperson – CSEPI
